**Student Involvement:** There is so much more to the college experience than attending classes. Your involvement in campus opportunities can be one of the most enriching aspects of your college experience. Join the Student Involvement staff to learn how to ‘Do More’ with your time as a Warrior. Find out about campus events, student organizations and how these experiences can help you succeed as a student.

**Student Employment and Career Center:** Whether you are looking for part-time work on or off campus, the LC State Career Center is here to help. Learn how to navigate the Handshake app, along with tips and tricks on securing a job and maintaining the ever-important school-work-life balance.

**Library:** The LC State Library offers so much more than just books. Even in the digital age, our library remains an important study space for students. Learn how to navigate the college library services and the tutoring opportunities located inside the Library.

**Accessibility Services:** This office provides academic accommodations to allow students with disabilities the opportunity to fully participate in all aspects of the educational environment as successful and independent learners. Meet the staff of Accessibility Services and learn the differences between high school and college and how to become the best self-advocate for your needs.
